

SECTION 2: The NSBA

WHAT THE NSBA DOES

Norfolk and Suffolk Boating Association

(founded in 1894 as the Norfolk & Suffolk Yachting Association)

The NSBA's objectives are to serve and protect the interests of private users of pleasure craft on the Broads, whether they are motor-boaters, sailors or windsurfers. The Association provides a website and newsletters, produces annually the *NSBA Handbook for Navigating the Broads*, fondly known across the region as *The Green Book*, and publicises the Regattas and Open Meetings of its many affiliated clubs. It convenes discussions to resolve and balance disparate points of view, lobbies to promote and serve the interests of Broads boaters and is consulted on many issues by the government, the Broads Authority and the RYA, as illustrated by its website and newsletters. It promotes competitive sailing in its own events for juniors and experienced sailors. Individual membership gives access to discounted, exclusive boat insurance and other benefits (see page 23).

NSBA OFFICERS AND COMMITTEE

OFFICERS

President: Prof Richard Card

Chairman: LtCdr Ben Falat

tel: 01502 573570 e-mail: benfalat@gmail.com

Vice-Chairman: Dr N Mark Collins
