The NSBA is constantly working on behalf of its growing individual membership, with forty seven affiliated clubs, classes and regatta committees throughout the Broads network.

Lobbying for the interests of private boat owners on the Norfolk and Suffolk Broads is one of the NSBA's primary purposes. The pressures arising from conservation and environmental legislation continue to present threats to boating on the Broads as we currently know it.

## NSBA website – Member Access and Operations

Individual NSBA members may apply for login access passwords to [www.thegreenbook.org.uk](http://www.thegreenbook.org.uk). This gives additional functionality for members only, including:

- the ability to edit parts of their own membership record (boat name, contact details, etc)
- online search facilities for name and boat in the NSBA membership list.
