Norwich Canoe Club is a centre of excellence for training and racing in sprint and marathon flat water racing, and a recent British Canoeing Club of the Year. We're an inclusive community club for all ages and abilities, including a thriving Para Group for those with disabilities.

The Club Mission is to encourage and support all paddlers from complete beginners to international athletes. We aim to ensure that members love paddling, make long lasting friendships, and for those that aspire to push themselves - to be the best that they can be.

A GREAT PLACE TO ENJOY THE RIVER Norwich Rowing Club is a friendly club on an excellent stretch of river. We are the largest, most successful club in Norfolk. Our rowers, aged 14-80+, include Novices to GB internationals. Everyone is welcome whether you want to race or Learn 2 Row. Our boathouse is fully equipped with café and training facilities.
