SECTION 3: Affiliated Clubs -Sailing Programmes and Other Club Activities

If in any doubt, please check with individual clubs that sailing programmes and other club activities are taking place as published.

Club contact details can also be found on pages 10-13.

(Our clubs generally list their Open events in BOLD text on the following pages.)

ACLE SAILING CLUB

Acle Sailing Club was established in 1978 with the express purpose of reinstating the Acle Regatta which, back in the 1890s, was one of the primary sailing regattas on the Norfolk Broads.

Today, Acle Sailing Club still provides a platform for

its members and the local sailing community to raise money for local charities, although the official organising authority for the Acle Regatta has recently transferred to Great Yarmouth Yacht Club.

BARTON TURF ADVENTURE CENTRE

BTAC is a 7-acre campsite and sailing school open to everybody, but especially schools and youth groups. We provide accommodation in tents and offer access to a range of adventurous (chiefly watersports) and environmental activities using Barton Broad and the 14-acre private nature reserve. The Centre has its own slipway into an arm of

Barton Broad. RYA and AALA licensed, in addition to activity weeks for groups and schools during term time, BTAC offers the public dinghy sailing tuition every weekend from Easter to October, and on weekdays during the school holidays. You can also arrange to come and try sailing a dinghy with one of our instructors. Pre-hire tuition is also available.

See our website for more details: btac-services.co.uk

BECCLES AMATEUR SAILING CLUB

Beccles Amateur Sailing Club is built on a solid foundation of member participation and has the reputation for being one of the friendliest sailing clubs on the broads. We welcome all those with an interest in sailing and the emphasis has always been on attracting family membership, particularly for those new to sailing who will receive a warm welcome.

The club is located on the River Waveney in north Suffolk, approximately half a mile downstream from the market

town of Beccles. Our sailing season runs from Easter to Christmas, with details of the sailing and social events available on our website www.becclesasc.co.uk

The clubhouse offers good basic amenities with tea, coffee and snacks available and a fully licensed bar. There are male and female changing rooms and outside there is a slipway, Dinghy Park (all year round use) and a spacious car park.

BITTERN OWNERS ASSOCIATION

The Bitterns were designed by Leslie Landamore in 1959 for the Norfolk Schools Sailing Association and approximately 55 were built, the last in 1964. Originally they were distributed around the county at various schools and Youth Groups but the majority were then based at Filby Broad County Sailing Base when it opened in 1961.

Thousands of Norfolk youngsters had their first sailing experience in a Bittern and many have gone on to have illustrious sailing careers.

In the early 1970s, having served their purpose, the Bitterns were sold into private ownership. In 1990 a group of owners

formed the Bittern Owners Association with the sole purpose of keeping the Bitterns sailing. At the current time 33 Bitterns are registered, many having been restored to their original condition, but others have been lost through the years.

The BOA would be very interested to hear from anybody who knows the fate or whereabouts of any unregistered Bitterns. Contact BOA Secretary/Sailing Secretary, Professor John Atkinson - 01603 617177 e: j.h.atkinson@city.ac.uk

BROADLAND AND COASTAL CRUISING CLUB

The Broadland and Coastal Cruising Club is a small, friendly low cost club.

We have a cruise every month during the summer, and monthly indoor meetings in the winter. For more information visit our website at broadlandcruisingclub.org.uk

BROOM OWNERS CLUB

New members are always welcome and anyone who owns or has owned a Broom boat – young or old, sea-going or river – can join. We have members across the UK and Europe, organised on a regional basis. Communication takes place via our website, email, social media and the club magazine. Join us for regional events, technical advice, cruises in company and other get-togethers.

Throughout the season we meet occasionally on Saturday mornings for a coffee and chat at various venues on The Broads – visitors are most welcome. Please contact Paul Bates for details of these meetings and our rallies.

Our aims and objectives are:

- to encourage ownership of Broom boats
- to encourage owners of Broom boats to use, maintain and enjoy their boats
- to provide a forum to give support and assistance for owners of Broom boats
- to encourage members to help other members with information and/or practical help

The Green Wyvern Yachting Club has introduced young people to sailing on traditional Broads Yachts since 1947. It is now a recognised RYA training centre that organises week-long cruises, teaching the national keelboat scheme. If you are 12 years of age or over and would like to join us on one of our Easter or Summer Cruises, please contact the Sailing Secretary Lisa Reed on 01493 701824 or 07725 815494 or email; sailingsecretary@greenwyvern.org.uk

In addition to our RYA cruising weeks, and our Boat Owners, Family and Friends cruises, we also organise two Open River Cruiser Class events each year, both are Sabrina Trophy events:

ROUND THE ISLAND RACE – Saturday 16 August (Somerleyton)
The round the Island Race involves circumnavigating Haddiscoe

Island and shooting both bridges without the use of engines.

CECIL HOWARD MEMORIAL RACE – Sunday 28 September

This passage race, held on the weekend prior to the Yare Navigation Race, is from Cantley to Coldham Hall.

If you would like to attend any of these events, please contact our Vice Commodore, Melanie Farrar on 07795 505505, or e-mail: vicecommodore@greenwyvern.org.uk

HICKLING WINDSURFING CLUB

The premier windsurfing location on the Norfolk Broads, East Anglia, UK, and believed to be the largest windsurfing Club in the UK. A beautiful relatively safe location, close to the North Sea coast, great winds, beginner and intermediate loan equipment, excellent facilities, and a warm welcome.

Windsurfing is great for personal fitness, and sailing along under your own power is the ultimate thrill.

If you're interested in joining us please e-mail: ieff1davison@hotmail.com or call 07941 240935 www.hicklingbroad.co.uk

HORNING SAILING CLUB

Formed in 1938, today Horning Sailing Club is one of the largest clubs in the area and is an RYA Recognised Training Centre, and part of the OnBoard, Sailability and British Youth Sailing Recognised Club programmes. Racing takes place on the River Bure at Horning, on Hoveton Little Broad and downriver to Thurne. The Club provides racing and training activities — as well as opportunities for recreational sailing, such as informal racing through the Club's relaxed Saturday Sundown series, and encourages a variety of watersports, including paddleboarding. There is an active social programme throughout the year, and new members are always welcome. Moorings for motor cruisers and other craft are available.

With the season running from March to November, there is sailing for keelboats, dinghies and cruisers. Classes sailed include Reedlings, Rebels, Yare & Bure One-Designs, Yeomans, Lasers, Toppers, Enterprises, Splashes, Optimists and Remote-Controlled Model Lasers. Each year the Club runs the nationally famous **Yachtmaster Insurance Three Rivers Race** (3RR), which celebrated its 60th Anniversary in 2021.

Each August HSC holds the **Horning Open Regatta** (details on page 76).

Visiting sailors are welcome to take part in any **Open Events** (see list below, **in bold**) – and we would particularly like to encourage river cruisers to participate in our Downriver Race Series from Horning to Thurne.

For more details about the Club please contact us: www.horning-sailing.club

LEISURE OWNERS ASSOCIATION (BROADS GROUP)

The Leisure Owners Association is an organisation that exists to give help and advice to owners of Leisure yachts. The Broads group has been in existence since 1997, during which time our membership has increased annually, and, although most members of the Association are Leisure yacht owners, this is not a prerequisite for membership. The Association publishes a journal called Saltings that is produced three times a year: it includes details of sailing events nationally, repair and maintenance tips and items of general interest to Leisure owners. Our meetings and rallies

tend to be more of a social and 'leisurely' nature rather than competitive racing, and we are always pleased to welcome new members.

The Leisure Owners Association website contains more information on the Forum pages LEISUREOWNERS.ORG.UK

We also have a facebook page which is open to all comers.

MERCHANT NAVY ASSOCIATION BOAT CLUB

The Merchant Navy Association Boat Club (MNABC) was formed in 2008 by a group of Merchant Navy Association (MNA) members who were interested in sailing and boating, contributing to maritime safety, sharing information through multi-media, occasionally meeting, and operating their own social network through its regularly updated website: www.mnaboatclub.org.uk

Although the majority of our members are serving or retired Merchant Navy seafarers we also have many members who share our interest in maritime matters, especially small boats and boating, and who support the aims and objectives of the Merchant Navy Association itself.

Over our sixteen year history the MNA Boat Club has taken a particular interest in promoting safety on the water. As a member of the *National Water Safety Forum* we have an operational partnership with the RNLI to promote the national *Respect the Water* campaign. The club is a partner in the *National Independent Lifeboat Association* (NILA) and our

members liaise with and support the Norfolk independent lifeboat stations at Sea Palling, Mundesley, Caister, and at Hemsby where the *Hemsby Independent Rescue*Service operates its dedicated Lifeboat for the Broads.

We are of course an NSBA Affiliated Club with two of our members on the NSBA management committee, including on the Broads Authority Boat Safety Group. We enjoy operational partnerships with several other maritime organisations such as the RNLI, the Sea Safety Group of Coastwatch stations and NILA. The club is affiliated to the RYA and is actively involved in the RYA Eastern Region to promote the interests of sailing and boating to club members in general. We work principally to enhance maritime safety, and in the context of safety on the water the MNA Boat Club operates its own WaterWatch Safety and Surveillance Scheme (see below) and is actively involved in providing safety cover on the Broads for some major sailing events. We are supporters of the Fund British Waterways campaign.

Join the MNA Boat Club WaterWatch Safety and Surveillance Initiative

The WaterWatch Safety and Surveillance Initiative is committed to promoting the aims of the RNLI's Respect the Water campaign to reduce the number of fatalities resulting from drowning on the coastal and inland waterways of the UK by utilising the experience of members of the Merchant Navy Association (MNA) Boat Club and other organisations with whom we have a partnership, such as the Norfolk & Suffolk Boating Association (NSBA) who promote WaterWatch on the Broads.

Members of the MNA Boat Club and partner associations who volunteer to participate in

WaterWatch are known as WaterWatch Crew Members. PLEASE JOIN OUR TEAMS OF EXPERIENCED BOATERS AND SKILLED OBSERVERS AND HELP TO:

- Spot potential incidents and hazards
- Respond by reporting detailed information about the nature of the incident to HM Coastguard, the appropriate inland waterways authority or other emergency services.
- Stand by ready to assist the co-ordinating authority according to need. For example by maintaining a visual watch over the site of the incident, providing on-going situation reports, taking photographs etc.

WaterWatch Crew Members are part of a motivated and enthusiastic team having the opportunity and satisfaction of putting their boating experience and expertise to good use by helping to enhance safety on and around their local waters (perhaps even to the extent of helping to save a life), whilst protecting the boating environment and promoting responsible boating behaviour. The MNA Boat Club is a member of the National Water Safety Forum.

NANCY OLDFIELD TRUST

The Nancy Oldfield Trust provides accessible sailing, motor boating, canoeing and pedal launch activities for disabled and disadvantaged people of all ages and backgrounds. We are an RYA Recognised Training Centre with RYA Sailability status. The Trust is open all year round and offers half or full day activities, subject to availability. The suggested donation for a half-day session is £20 per person, and a full-day session, £40 per person (carers go free). The Trust also has accessible accommodation; Kenyon Bungalow (in Neatishead) which sleeps up to 10, and Berwick Cottage (in East Harling) sleeps 6. A team of around 80 volunteers support the staff in delivering the daily activities, as well as supporting the Trust in other areas.

For all enquiries please email: info@nancyoldfield.org.uk or call 01692 630572. For more information about the accommodation, including prices, availability, or to apply for a bursary, please see: www.nancyoldfield.org.uk

Nestled on the banks of scenic Wroxham Broad, the Norfolk Broads Yacht Club is a thriving hub for sailing enthusiasts of all levels. With a strong emphasis on both competitive racing and leisurely sails, the club offers something for everyone.

On Wednesday evenings throughout the summer, members enjoy relaxed sailing, while weekends often feature exciting racing events. The club boasts superb bar and dining facilities, ranging from casual snacks to formal dining, ensuring every visit is a treat. Throughout the season, friends of members are also warmly welcomed on Friday evenings.

Norfolk Broads Yacht Club is also a training centre, maintaining a high standard of sail training, power boat courses and mentoring opportunities for members. There is something for all ages and abilities. New members are always invited to join this vibrant community — so why not pay a visit and see what makes the Norfolk Broads Yacht Club so special.

NORFOLK SCHOOLS SAILING ASSOCIATION

Norfolk Schools Sailing Association is not a sailing club, but is a **Sail Training Centre** and runs a programme of courses on Filby Broad near Great Yarmouth for individual children... and school and youth groups. The courses are based on the Royal Yachting Association's Young Sailors Scheme and OnBoard and are all staffed by RYA qualified dinghy instructors, meeting

strict ratios of staffing to students. Training for prospective dinghy instructors is also provided, including inland powerboat and safety boat training.

Membership to the NSSA is open to all children from 8-18 years of age in full time education and to adults actively involved in the training programme and wanting to progress their qualifications. Membership costs for 2025 will be £30 pa + £40 per 4 day course.

Adult courses are charged separately and details can be found on our website.

Children just need to turn up willing to learn to sail, with a pair of old shoes they don't mind getting wet, a change of clothing, in case they do, and some lunch and a drink. We provide the rest: brand new changing rooms, waterproof tops, wetsuits and buoyancy aides, as well as boats and qualified staff.

NSSA provides a variety of boats for training, including Oppies, Toppers, Lasers, Wayfarers, Laser Vago and Topaz Argos. Youth Courses are run over 4 day blocks on either Saturdays or Sundays throughout the year from March to November – Spring, Summer and Autumn.

Applications for membership can be made on our website – www.nssa.co.uk – and completing the online form. For more information contact The Membership Secretary e-mail: membership@nssa.co.uk

We are running two
RYA Dinghy Instructors
Training Courses at Filby

NORTHERN RIVERS SAILING CLUB

The Northern Rivers Sailing Club has a full and varied programme of racing, cruising and social events planned for the 2025 season. Club members sail modern production yachts and we also have members who wish to crew. New members are always welcome.

NRSC members get exclusive access to our clubhouse, the Anchorage, which is upriver from Acle Bridge and which hosts many of our races. We also have regular 'sailing in company' events throughout the season plus organised cruises which see us venturing out on week-long cruises to explore the northern and southern broads.

Our annual East Coast Cruise sees a fleet of NRSC boats leave our familiar sailing area and head out to sea. The two week voyage allows us to explore the coastal waters of East Anglia and visit the beautiful rivers and creeks of Suffolk and Essex. It also gives skippers and crew the opportunity to build their confidence at sea knowing that they are never far from another club boat.

NRSC members between them possess a wealth of practical sailing experience and skills which they are happy to pass on. During the winter months we have training sessions covering such things as racing rules and understanding mobile chart-plotting apps. Our website address is: www.nrscsailingclub.com

THE EXCELSIOR TRUST

The Excelsior Trust is an award winning charitable trust which provides life changing sailing experiences for young and disadvantaged people, schools and organisations.

Since 1988, our 1921 fully restored, traditionally rigged vessel has taken over 10,000 people to around 20 countries on adventures and races; many of the young people return to sail and volunteer with us.

We are proud to have HRH The Princess Royal as our Patron.

UEA SAILING CLUB

UEA Sailing is a diverse youth sailing club linked to the University of East Anglia. We are an RYA Recognised Training Centre, based at the Norfolk Broads Yacht Club on Wroxham Broad, and operate a September to June calendar focused on beginner sailing, fleet racing and team racing.

Annually we run the **UEA Unicorn** – a team racing event sailed in Fireflies. This event offers fantastic racing for everyone, from those who have never team raced to those who have competed nationally. We love getting people involved in the Firefly community as well as the team racing circuit.

WAVENEY SAILABILITY LTD

Waveney Sailability was established in 2004/5 with the aim to give anyone with a disability a chance to sail. The bulk of our fleet is made up of 11 Hansa 303 dinghies, but we also have an RS Venture Keel (Sailability version), a Squib and two Waveney One Designs.

Last year five of our sailors competed in Oulton Week, and two sailed at the Hansa Access National Championships. It is encouraging to note that an increasing number of our members feel confident enough to sail most sessions on their own, and then to race single handed (on Tuesday evenings). The Hansa Access dinghies are specially designed to allow all people with a disability to sail. They have a joystick control which works the opposite way to a tiller (thus confusing experienced dinghy sailors), unstayed masts so both sails can be reefed, and a weighted daggerboard to prevent capsizes.

The club is based on Oulton Broad, and we sail from the WOBYC clubhouse. During 2024 Sara Sutcliffe, CEO of RYA attended an insights visit; WSL has featured prominently on promotional RYA videos. Over the years the links with WOBYC have strengthened, and in 2014 the project to install a lift and accessible toilets was completed and officially opened by the Princess Royal. The Club is run entirely by volunteers, whether on-shore helpers, instructors or safety boat drivers. It meets every Tuesday from April to October, so

please contact us if you are able to help, or know someone who would like a trial sail. The really important people are the members of the club who come along to learn to sail or just for the enjoyment of being out on the water. The beauty of the club and its fleet is that anybody can sail more or less regardless of their challenges. For the competitive sailors, every week there is an hour of racing for those who wish to participate and there are trophies for 4 series that we run throughout the season.

We are enormously thankful to the generosity of those people and organisations who have given us support with the running costs of the club. Members and helpers also pay a subscription which contributes to the running costs. Over the last few seasons we have managed to replace six of our aging Hansa fleet with new boats thanks to some amazingly generous donations and some grant funding. This has reduced our maintenance cost and freed up volunteers to spend more time on the water with our members. Our fundraising for a new safety boat to replace our aged RIB was successful and we took delivery of a new Pioner in March 2020.

Any sailor or potential volunteer interested in helping in any way would be most welcome. Please visit our website for more details: www.waveneysailability.co.uk

WAVENEY STARDUST TRUST LTD

Waveney Stardust – founded in 1988 – is a registered charity which provides cruising facilities for disabled and/or elderly persons on the Norfolk and Suffolk Broads. Stardust cruisers are designed to accommodate people in wheelchairs and are suitable for passengers with walking difficulties. Cruises may be booked by organisations, nursing/residential homes, day centres and also by family groups where one or more members (old or young) are disabled or elderly and could not otherwise get afloat.

Our qualified skippers and crews all undergo regular training. Operation of the cruisers and its administration are all carried out by volunteers. **New volunteers are always welcome**; **please contact us via our website**.

In 2025 we will operate a full Monday to Friday schedule from the start of April to mid December (the boat is centrally heated).

Our 2025 cruises will start from either our main base in Beccles, or from Brundall or Oulton Broad. For more details of our 2025 cruising schedule, to enquire about our **Special Charters** and to book trips online (when available), please see our website at **www.waveneystardust.co.uk** or call the booking line: **07817 920502**.

WHERRY MAUD TRUST

This year Wherry Maud Trust celebrates its 10-year anniversary as a Registered Charity. The charity was set up to operate and maintain **Maud**, the last clinker-built trading wherry afloat. A **highlight of 2025 will be Wherry Maud Trust's new film From Wood to Wherry.** The film charts the life of an iconic oak tree and its felling and converting into the planks that were fitted into **Maud's** hull in 2024. The film premiere will be screened to members in March. The history of **Maud's** working life, from 1899 to around 1966, has been well-documented. Last year, 125 years since **Maud** was built, there was an *Anniversary Tour of the Broads*, visiting places that were significant in her history. The tour was divided into two parts, northern rivers and southern rivers, and two leaflets with photographs were produced to illustrate the tour.

2024 was a busy year for Wherry Maud Trust - the trustees

and associate members worked very hard during the tour and after it ended on the 4th of August. August and September were devoted to out-of-the-water maintenance at Burgh Castle. Volunteers from the Trust worked both on and off site, spending collectively at least 800 hours of their time. They overhauled the sail and rigging, unloaded and re-loaded ballast, and scraped and painted tirelessly.

Maud was re-launched at the end of September and her crew re-started regular trips, some for members and some as crew training trips. Crew members gave their time freely, enabling Maud's members to enjoy wherry sailing in less crowded rivers.

The trustees are currently working on the Upcoming Events list for 2025. By the time of going to press, some of the events should be on the website www.wherrymaudtrust.org under Events/Upcoming Events.

Look there for dates of screenings of the new WMT film From Wood to Wherry

Upcoming Events will be updated regularly and will include trips, viewings and dates when the **WMT Pop-Up Museum** will be at local events.

WHERRY YACHT CHARTER CHARITABLE TRUST

(Registered charity 1096073)

Wherry Yacht Charter Charitable Trust exists to protect and restore the Norfolk wherries Hathor, Olive, Norada, White Moth and Ardea, operating them on both private skippered charters and public day trips from May to September. Enquiries are welcome about our sailing activities, volunteer opportunities (including sailing and maintenance). and also membership of our *Friends* group for supporters.

We now have four e-mail addresses: bookings@wherryyachtcharter.org. admin@wherryyachtcharter.org, friends@wherryyachtcharter.org and charters@wherryyachtcharter.org. Or simply call us on 01603 781475 and leave a message with your contact details and we will get in touch.
