The Norfolk and Suffolk Boating Association

What we do

- The NSBA's objectives are to serve and protect the interests of private users of leisure craft on the Broads.
- Annually produces the *NSBA Handbook for Sailing and Cruising the Broads*, fondly known across the region as *The Green Book*. Packed full of practical information, and publicises the Regattas and Open Meetings of its many affiliated clubs.
- Provides a regular e-Newsletter and an up-to-date website.
- Convenes discussions to resolve and balance disparate points of view. Lobbies to promote/serve the interests of Broads boaters, and is consulted on many issues by the government, the Broads Authority and the RYA.
- Promotes competitive sailing in its own events for juniors and experienced sailors.
- Individual membership gives access to discounted, exclusive boat insurance and other benefits from our loyal advertisers.

We need you

We believe that a more diverse and engaged membership is essential for effectively addressing both current and future boating issues on the Broads. To achieve this, we're seeking to increase not only our membership but also our committee. **You don't need to own a boat, everyone is welcome.**

A larger committee will enable us to establish subcommittees dedicated to specific projects. These include, not only navigation-related matters, but also organising fundraising events, increasing our presence through social media, and planning social activities for our members to enjoy.

We are a welcoming and friendly group, and we would be delighted for you to join the NSBA. Whether you can contribute a little of your time or a lot, your involvement would be greatly appreciated – there's plenty for us to do.

Thank you for considering joining the NSBA – we look forward to having you on board.
