# BECCLES QUAY

Located at the southern edge of the Norfolk Broads, Beccles Quay offers not only a tranquil setting to enjoy your boating holiday, but it has a range of facilities available and is only a short walk from town centre shops, places to eat, services and public transport hubs.

Nearby you can hire a canoe or paddle board, or enjoy a gentle ferry ride up-river to Geldeston.

If you like to walk, you can explore the unspoilt marshland countryside edging the water front as all Beccles Marsh Trail walks begin from the footbridge of the Quay. Visitors can enjoy the beautiful setting, breathe-in spaces and watch the water-born world go by.

## MOORINGS

Overnight and daytime moorings for visiting craft are available at Beccles Quay. Moorings can be booked online.
