We specialise in budget friendly, reliable radio communications equipment for marine, business and aviation users. Brands include **Icom, Yaesu, Kenwood, Recent** and many more.

Second hand equipment often available and we can reprogram many brands to suit specific needs. We also supply antennas and cabling plus the usual accessories.

We have brand new leisure style waterproof hand held radios from £80 including VAT. We can also help with advice and guidance on the most appropriate radio for all sizes of watercraft.

We have been trading for over 20 years.
